FROM: Assistant Chief Jeffrey R. McNair

Date: May 21, 2014

Subject: Outstanding Covert Cameras

I would like to take the time to thank the employees of SpyCentre for selling us high quality and easy to use covert cameras. These cameras have already proven their worth by allowing us to capture several crimes being committed after hours. Dallas County Operations is a bifurcated agency responsible for numerous County operated buildings and court houses.

Even fully staffed and with over two hundred fixed cameras it is hard to be everywhere and see everything. The covert cameras we purchased from SpyCentre have been incredible and we are looking forward to purchasing more in the future.

Assistant Chief Jeffrey McNair
