*Spycentre,*

*I wanted to take some time to formally thank you for the great service you provided my family. Your employees were not only knowledgeable but courteous.*

*I went to Spycentre clueless of what I was looking for. All I knew was that I needed some cameras set up in my home to protect my 6 month old daughter and my family.*

*The process of selecting the perfect camera system was easy with your help. The Installation was done quickly and painless and your installation team was very accommodating and made sure they cleaned up after they were finished (my wife appreciated that).*

*Now that we have the security system in place we have more peace of mind knowing we can see what is going on in our home directly from our iphones.*

*We cant thank you enough for everything you did for us.*
